2000-2001

Home (<https://www.kpu.ca/calendar/archive/calendar2000/programs.html>)

Previous versions of the University Calendar are made available for reference purposes, particularly for those students fulfilling curricular requirements for graduation from a previous year's University Calendar. For up-to-date course information, always refer to the course listings in the current University Calendar (<https://calendar.kpu.ca/courses-az/>). Full printed copies of previous University Calendars are available at the KPU Library (<http://www.kpu.ca/library/>).
