Description

The two-year Business Management Diploma program's foundation courses provide an understanding of the basic skills and techniques required to be effective in today's business environment. Graduates will take specialized courses in management essentials, human resources management, business law, negotiations, operations management, enterprise development, business planning and international business.

Career Opportunities

The Business Management Diploma is designed to prepare students for entry-level management positions in both private and public sector organizations. The program is accredited by the Canadian Institute of Management, Canada's senior management association. Their CIM (Certified in Management) designation is a nationally-recognized benchmark in professional management. Graduates of KPU's Business Management Diploma can apply for their CIM designation with no additional coursework required. For more information about CIM (including experience requirements and exemption process) please visit cim.ca (<https://cim.ca/>)
