

TUITION & MANDATORY STUDENT FEES

The KPU Board of Governors determines tuition and fees, which vary depending upon the type and duration of the program. The fee schedules below apply from September 1, 2025 to August 31, 2026, unless otherwise noted. KPU reserves the right to amend this schedule without notice. Rates are listed in Canadian dollars.

Tuition and fees are normally assessed as a rate per credit. The cost of most courses can be calculated by multiplying the applicable rate by the credit value of the course as shown in the Course Descriptions (<https://calendar.kpu.ca/courses-az/>) section of the University Calendar. In some cases, a maximum amount or flat rate is charged for a given course, semester or program.

In addition to KPU tuition and fees, students also pay fees that are levied by the Kwantlen Student Association (<http://www.kusa.ca/>) (KSA). Details of the KSA-levied fees are given below, following the KPU fees.

Students can calculate their expected tuition fees using the Tuition Estimator (<https://www.kpu.ca/tuitionestimator/>).

Senior Citizen Fee Exemption

Canadian citizens and Permanent Residents residing in BC who have reached the age of 65 before the first day of classes may be eligible to apply for the Senior Citizen Fee Exemption. Approval of a Senior Citizen Fee Exemption is only active for one semester in semester-based, primarily undergraduate courses. Tuition, student fees and Kwantlen Student Association fees will not be charged to those approved. All other fees (e.g. books, learning materials, equipment fees, etc.) must be paid by those approved.

Senior citizens who wish to ensure registration in a specific course may register and pay in the same manner as a fee paying student; however, they will not be eligible to retroactively apply for a tuition & fee exemption.

Note: The Senior Citizen Fee Exemption is not valid for Continuing and Professional Studies, Fixed-Term Apprenticeship or Foundation, Continuous-Intake, or cost-recovery programs offered by KPU (including, but not limited to, the Brewing and Brewery Operations Program).

KPU reserves the right to limit the maximum number of senior citizen tuition & fee exemptions. For further details, see the General Interest, Senior Citizen Fee Exemption (<https://www.kpu.ca/admissions/general-interest/senior-citizen-fee-exemption/>) webpage.

Temporary Insurance Plan for International Students

All new international students coming to KPU will automatically be enrolled in KPU's Temporary Medical Insurance Plan upon registration in classes for their first semester at KPU. This plan provides coverage for basic medical costs and services and it is in addition to the KSA Extended Health and Dental Plans. Coverage begins on the first day of

the month of the starting date for a semester. Each student's name, student number, email, gender and date of birth will be released to the insurer and plan administrators. New international students have the option to opt out of the plan within one month from the start of the semester if they have an existing Medical Services Plan (MSP) coverage. Continuing international students who have not previously opted out will continue to be enrolled in the temporary insurance plan in subsequent semesters upon their registration for classes. Continuing international students have the same opt-out option with the same opt-out deadline each semester. For more information about the Temporary Insurance Plan, please see KPU International - Insurance (<https://www.kpu.ca/international/insurance/>).

About Kwantlen Student Association Fees

Kwantlen Student Association Extended Health and Dental Plans

The Kwantlen Student Association has implemented, by means of student referendum, a mandatory health and dental plan providing extended medical coverage and a student dental plan. Enrolment in these plans is a requirement of registration at the University for all students with a course load of 1 credit or more. The name, student number, address, gender and date of birth of students eligible for enrolment in the plan will be released to the insurer and the plan administrators.

There is a provision for opting out of either or both plans if a student is able to provide proof of comparable existing coverage. Students must complete the opt-out process each year they are assessed these fees. Specific instructions for opting out are available at KSA mystudentplan (<https://www.mystudentplan.ca/kwantlen/en/home/>) or visit Kwantlen Student Association (<http://www.kusa.ca/>).

All questions or concerns about plan coverage or opting out of the Student Health and Dental Plan should be directed to the KSA Student Service Coordinator at kwantlenplan@mystudentplan.ca or by phoning 604.599.2431.

Enrolment in these plans is a requirement of registration at the University for all students with a course load of 3 credits or more or who have tuition charges that exceed the Total Fare Value of a three-zone bus pass.

U-Pass BC and KSA MultiPass charges are levied for each month in which the course(s) begin prior to the 15th of the month and for each month in which the course(s) end on the 15th or later of the month.

Students who withdraw from all courses will be refunded their U-Pass BC and KSA MultiPass fees for the month(s) following their withdrawal.

There is a provision for exemption from the U-Pass BC and KSA MultiPass if a student is able to provide documentation in support of one of the following scenarios:

- Students who hold a valid U-Pass BC from another post-secondary institution within Metro Vancouver.
- Students who hold a valid, non-transferable Transit Pass that is valid for the duration of their study period.
- Students who are permanently or temporarily disabled and whose physical or cognitive barriers cannot be accommodated using the U-Pass BC.
- Students living outside of Metro Vancouver or over 1500 metres from the nearest TransLink access point.
- Students required to carry very large instruments as part of their KPU program requirements.
- Students required to insure and operate a vehicle insured for business use (e.g. ICBC rate class 007 or 027).
