Description

All prospective music students apply to enter the Bachelor of Music in Musical Arts Degree. Those students who wish to graduate with a Diploma in Music may apply after completing one of six concentrations.

The Diplomas in Music are two-year, four-semester programs. Each concentration is designed to help students develop their abilities in both academic and applied studies. All students receive four semesters of private instruction on their chosen instrument and participate in a large ensemble each semester. The core curriculum is augmented by electives chosen by the student in consultation with a faculty advisor.

The facilities at the Langley Campus have been designed to accommodate music instruction in solo performance, orchestral, band, choral, and chamber music.

Intake occurs once a year in September for full-time program students. It is expected that most students will enroll in a full-time program, but part-time participation will be allowed subject to seat availability and the fulfillment of the course prerequisites.

Credit for courses completed at other institutions may be transferred subject to the approval of the Music Chair. As well, first time registration for some courses may be allowed in January subject to the approval of the Music Chair and fulfillment of any course prerequisites.

It is recommended that prospective music students attend a music information session where program content and application procedures

will be explained. For more information, please visit kpu.ca/music (<http://kpu.ca/music/>).

Diploma Concentrations

There are six concentrations within the Diploma program:

- Comprehensive Studies

Such students can be given the opportunity to register in one or more foundation courses to upgrade specific musical and technical skills. Generally these courses do not count toward the Bachelor of Music degree or Diploma programs. The Foundation courses include:

- Songwriting and Arranging: MUSI 1291
- Music Technology: MUSI 1130
- History of Popular Music: MUSI 1111
- Classical Music in Western Culture: MUSI 1115
- Studio Lessons (i.e. Private Lessons): MUSI 1105 & MUSI 1205

Requirements

Admission Requirements

In addition to the Faculty's Admission Requirements, which consist of KPU's undergraduate English Proficiency Requirement (<https://calendar.kpu.ca/admissions/english-proficiency-requirements/>), the following program admission requirements apply:

Audition/interview - Applicants will have a scheduled audition on their instrument to demonstrate their musical and technical skills. For details, see the Music Department's website [kpu.ca/arts/music](http://www.kpu.ca/arts/music) (<http://www.kpu.ca/arts/music/>)

For all instruments except piano, the standard of practical work expected at the time of audition is equivalent to Royal Conservatory of Music (RCM) Grade 6. The entrance standard for piano is equivalent to RCM Grade 10.

A satisfactory score on the KPU Music Placement Test - The placement test assesses the knowledge and skill of the applicant in music theory, music history, and aural musicianship (i.e., ear training). The results will help determine the best point of entry for prospective students. For details, see the Music Department's website [kpu.ca/arts/music](http://www.kpu.ca/arts/music) (<http://www.kpu.ca/arts/music/>)

Applicants who have successfully completed the RCM – Advanced Rudiments Examination in Theory or Conservatory Canada, Theory IV may be exempt from writing the theory section of the placement test upon presentation of the certification of completion on or before the day of the audition.

Applicants who have successfully completed the RCM History 1 Examination may be exempt from writing the history section of the placement test upon presentation of the certification of completion on or before the day of the audition.

¹ It is strongly recommended that students take ENGL 1100, if they are considering any degree program upon completion of the Diploma in Music - General Studies Concentration.

² Students with keyboard experience may be excused from one or both of these courses, depending on the level of proficiency already achieved. In that case, secondary instruction in piano or other suitable instrument will be required. This will be achieved by completing MUSI 1155 and MUSI 1255. In addition, piano majors may apply for a course substitution totaling a minimum of 2 credits.

³ Students may request a course substitution of one or all of MUSI 1156, MUSI 1256, MUSI 2356, and MUSI 2456 for any of the private music instruction courses.

The 9 credits of non-music electives may include any non-music undergraduate courses offered at KPU. Music electives may be any other diploma-level courses in MUSI numbered 1100 or higher. The following is a partial list of music electives: Music and Computers; Introduction to the Music Industry; and various small chamber ensembles (Jazz Combo, Percussion Ensemble, etc.).

Selected courses within the diploma program may be applied to third-year entry into the BMMA program.
